PA DEP ANNOUNCES STIMULUS SMALL BUSINESS ADVANTAGE GRANT PROGRAM

Pennsylvania's Small Business Advantage Grant Program opened recently for applications. Grants will be awarded on a first-come first-served basis until the approximately \$1 million in funding is depleted, so apply soon to have the best chance of success.

This program funds pollution prevention and energy efficiency projects. The Small Business Advantage is a grant program providing 50% reimbursement matching grants, to a maximum of \$7,500, to enable a small business in Pennsylvania to acquire equipment or processes that result in energy efficiency or pollution prevention.

Applications and further information are available on the Small Business Advantage Grant Program's website at http://www.depweb.state.pa.us/e_nintech/cwp/view.asp?a=1413&q=503219. The application package contains the materials and instructions necessary for applying for a grant.

Applicants are encouraged to submit their completed application as soon as possible. Applications will be reviewed for funding in the order in which they are received.

The Department will accept applications for the program if postmarked by January 15, 2010, or hand delivered by 4:00 P.M. on January 15, 2010.
