**RT ENVIRONMENTAL SERVICES ANNOUNCES ESTABLISHMENT OF
GARY R. BROWN ENVIRONMENTAL SCHOLARSHIP**

RT Environmental Services, Inc. in partnership with the Pennsylvania Chamber Foundation, today announced the establishment of the Gary R. Brown Environmental Scholarship Fund. The annual scholarship will honor Mr. Brown's professional legacy through support for qualified students pursuing a degree in the fields of Environmental Sciences or Environmental Engineering.

With more than 35 years of experience in the environmental industry, Mr. Brown was a highly respected engineer and entrepreneur. He first started RT Environmental Services in 1988, and established the company as a leading environmental consulting firm in Pennsylvania and New Jersey. Mr. Brown was a longtime member and supporter of the PA Chamber, having shared his knowledge and expertise as a moderator and presenter at countless educational conferences throughout the state.

RT Environmental Services, Inc. has committed to donate \$5,000 annually toward the scholarship for a minimum of five years. The inaugural Gary R. Brown Environmental Scholarship will be awarded in 2021. Availability and issuance of the scholarship will be determined based on funds raised, and the scholarship will be managed and administered by the PA Chamber Foundation with advisement from RT Environmental Services' Board and Officers.

Donations in support of the Gary R. Brown Environmental Scholarship can be made directly to the PA Chamber Foundation as follows:

- Check or Money Order payable to the PA Chamber Foundation can be sent to the following address:

PA Chamber Foundation
Attn: Finance Dept - GRB Scholarship
417 Walnut Street
Harrisburg, PA 17101

- Credit Card payments can be taken directly by the PA Chamber Foundation by contacting them at 717.720.5427.

The PA Chamber Foundation is a 501(c)(3) tax-exempt organization. All donations are tax-deductible to the extent allowed by law.

"Gary would be extremely proud to know that young students will continue to benefit from his many contributions to our industry," said Justin Lauterbach, President of RT Environmental Services, Inc. "We are pleased to work with the PA Chamber Foundation to honor Gary's legacy."

Gary R. Brown Environmental Scholarship

Honoring the Legacy of a Respected Leader, Colleague and Friend

RT Environmental Services, Inc., in partnership with the PA Chamber Foundation, has established the Gary R. Brown Environmental Scholarship, to honor the professional legacy of the late Gary Brown.

The scholarship will be awarded annually beginning in 2021 to one or more students pursuing a degree in the field of Environmental Sciences or Environmental Engineering.

RT Environmental Services, Inc. has committed to donating \$5,000 annually toward the scholarship for a minimum of five years. Contributions are currently being accepted in support of this important endeavor.

The scholarship program is administered by the PA Chamber Foundation, a registered 501(c)(3) tax-exempt organization. All contributions are tax-deductible to the extent allowed by law. To make a contribution by credit card, please call 717.720.5427 or mail a check to:

PA Chamber Foundation
Attn: Finance Department
"Gary R. Brown Environmental Scholarship"
417 Walnut Street
Harrisburg, PA 17101

“Gary had a wonderful personality, was highly trustworthy in fulfilling his commitments, and he had a very sharp perception of people...a truly outstanding professional.” ■ Eileen Carlton, Flight 93 Memorial Project

“Gary served our association and its members with passion, conviction, pulchritude, and dedication for many years. His stories of working on industry’s behalf to move the needle of progress forward were endless, and they transmitted his drive and desire to make environmental policies and legislation work for not only industry and government but the taxpayers of Pennsylvania as well.”

■ Charles Goodhart
Executive Director, PA Asphalt Pavement Association

“Gary was a highly respected engineer and entrepreneur who possessed a great depth of knowledge and expertise in the fields of environmental science and engineering. His contributions to the industry and his clients are incalculable. His energy and drive for his work was second to none, and he possessed an ability to connect with all those with whom he worked.”

■ Justin Lauterbach
President, RT Environmental Services, Inc.
