

RT ENVIRONMENTAL SERVICES, INC.

Your Solution-Oriented Environmental Services Firm

RT ENVIRONMENTAL SERVICES ADDS EXPANDED ENVIRONMENTAL AND SAFETY TRAINING SERVICES

Gary Brown, President of RT Environmental Services announced expanded training services available to RT's clients. In addition to providing services for Contingency Plan training, RT has expanded our services to include:

- OSHA - Authorized 10 and 30 Hour Outreach Training For The Construction Industry and General Industry.
- Health Hazards in Construction
- Stairways and Ladders
- Excavations
- Cranes, Derricks, Hoists, Elevators and Conveyors
- Tools - Hand and Power
- Scaffolds
- Materials Handling, Storage, Use and Disposal
- Introduction to OSHA for Employers
- Introduction to OSHA for Workers
- Managing Waste - Municipal, Residual and Hazardous Wastes
- Hazard Communication
- Machine Guarding
- Introduction to Industrial Hygiene
- Stormwater Management - Overview of Expanded Regulatory Programs
- Stormwater Management - Maintenance and Inspections
- Worker Productivity and Safety on the Job
- Marcellus Shale Support - Safe Land Training - Gas and Oil Industry (Similar to OSHA 10 and 30

Hour Training)

- H₂S Training
- Gas Monitoring Systems and PPE

We are pleased to offer these services throughout our Pennsylvania and New Jersey service areas and our training programs can be developed into packages which are cost effective and implemented at convenient times, to ensure worker and owner as well as management productivity.

Our training staff includes Larry Bily, Gary Brown and George Dula, each of whom have more than ten years of training experience in construction, industrial plant and other worker environment situations.

For more information or to receive a proposal for training programs and to discuss options, call Larry Bily at 800-725-0593, extension 236 or contact Larry by email at lbily@rtenv.com.
