EPA EXTENDS DEADLINE FOR NATIONAL WETLANDS RULE

On December 1st in the *Federal Register*, EPA announced a thirty-day extension on a Draft Report known as the 2011 Wetlands Rule. The Deadline was extended for public comments on the first time draft of National Wetlands Conditions after the Texas Commission on Environmental Quality said it needed more time. TCEQ said the thirty-day period for comments is too little on an issue as important as this. RT will keep you informed as this goes forward.
